What's It All About?

The Freedom Walk supports the Matrix Coalition of New Hampshire—a grassroots group of patriotic Americans working to educate schools, churches, and communities about the Forefathers Monument in Plymouth, MA—a towering 1889 landmark that honors the 1620 Pilgrims and their pivotal role in shaping America's civic and religious freedoms.

Why It Matters:

Your support helps us preserve and promote liberty by:

- Donating educational posters to schools and churches
- Providing books and guided tours across New England
- Highlighting the "Matrix of Liberty"—the inspiring model of self-government that laid the foundation for America

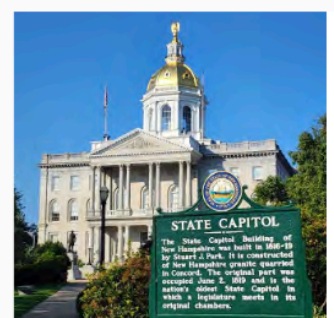

After our patriotic walk through downtown Concord, join us on the Capitol plaza for fun, raffle items and an inspiring talk and book signing by Michelle Gallagher, author of the *Forefathers Monument Guidebook*!
